[www.NovusMindfulLife.com](http://www.NovusMindfulLife.com)

Novus Mindful Life Institute Family Counseling and Recovery operates as the premier resource for expert clinical psychotherapy and counseling for residents of California. Novus supports our clients via remote on-line therapy as well as locally with in-person sessions in our office near Long Beach, Seal Beach, Huntington Beach and surrounding communities. The team at Novus is regarded as the expert process addiction treatment group in our community, offering healing treatment for adult individuals and couples whose lives have been affected by trauma, betrayal, infidelity, relationship challenges, sexual addiction or pornography addiction. Founded in 2008 and operating under the experienced watch of clinical director, Duane Osterlind, the team at Novus is a compassionate and motivated group of highly trained clinicians working together to help people overcome their struggles and transform their lives.

**FOUNDER PROFILE:** Duane Osterlind is a Licensed Marriage and Family Therapist, Certified Sex Addiction Therapist and Supervisor. Duane has over fifteen years of experience helping clients overcome Sex and Pornography addiction and using trauma informed treatment to help couples rebuild trust after betrayal or infidelity. A leading expert in this field, Duane is also the creator and host of “The Addicted Mind” and “Helping Couples Heal” podcasts.

**TITLE:** Licensed Marriage and Family Therapist: Sex and Pornography Addiction Tx Focus

**DESCRIPTION:** Outstanding opportunity for a Licensed Marriage and Family Therapist interested in gaining training, experience and supervision in the field of sex addiction treatment. If you are looking for flexibility and opportunities to build a robust career, create your own schedule, and grow with specialized clinical support from one of the most knowledgeable, experienced and welcoming clinical teams, Novus may be a great fit for you! The therapist in this position who has training and experience (*or desire to learn*) will provide hourly therapy services to individuals and couples addressing stress, anxiety, depression, trauma, communication, relationship challenges, trust, infidelity, betrayal trauma, compulsive sexual behavior, sex addiction and pornography addiction. This clinician will conduct approximately 20 sessions per week of individual, couples and/or group therapy as well as psycho-education and coaching sessions. The ideal candidate for this position will actively participate, contribute to and collaborate as a member of Novus Mindful Life Institute’s expert treatment team. Knowledge, experience and understanding of methods to provide effective quality treatment with compassion, confidentiality, impartiality and without judgment empowering clients to achieve healing and recovery is required. This is an hourly employee W-2 position. Building a full caseload may take several weeks.

**IDEAL ATTRIBUTES:**

Experience preferred, or desire to gain clinical training and experience with Individual Counseling, Couples Counseling, Partner Trauma Support, Training and/or Certification in the Treatment of Sexual and Pornography Addiction. Enjoys working as a member of a clinical treatment team to provide clients with comprehensive expert care. Must be professional, passionate, empathetic, open-minded, flexible, creative, enjoys helping others, resourceful, organized, confident, positive energy, and an open and honest communicator.

**RESPONSIBILITIES AND QUALIFICATIONS:**

1. Maintain licensure in good standing with the California Board of Behavioral Sciences.
2. Maintain current CEUs as required by the California Board of Behavioral Sciences.
3. Maintain Individual Professional Liability Insurance.
4. Provide psychotherapy through various therapeutic modalities (i.e., individual, couples, and group therapy) at the outpatient and intensive outpatient levels of care.
5. Demonstrate sound clinical judgement and decision-making skills.
6. Complete thorough assessments to support diagnosis and confirm appropriate level of care by providing sufficient documentation of symptomology and functioning levels.
7. Proficiency in basic computer skills and ability to use an ipad and computer for EMR.
8. Collaborate within the treatment team in a manner to achieve robust client retention and positive treatment outcomes.
9. Attend all required meetings including staff, clinical review, and in-service education.
10. Consent to periodic recording of sessions for training purposes.
11. Adhere to charting requirements by completing all clinical documentation daily.
12. Respond to administrative requests within a timely manner to ensure the successful processing of client transactions, paperwork, insurance claims, and billing.
13. Demonstrate cultural sensitivity, an understanding of diverse cultures, and gender issues.
14. Conduct all professional activity with impeccable ethics and integrity: compatible with professional standards of responsibilities.
15. Maintain strict client confidentiality and HIPAA compliance.
16. Adherence to all NMLI policies and procedures, state and federal laws, and any other relevant accreditation regulations and standards.
17. Uphold NMLI's reputation by exhibiting a professional, confident and grounded appearance and attitude during interactions with clients, colleagues and professionals.
18. Abide by zero tolerance policy. NMLI is a substance free workplace.
19. Additional duties and responsibilities as required.

**INSURANCE CREDENTIALING**

Willingness and ability to comply with Health Insurance Paneling and Credentialing Application and Attestation Requirements.

**SCHEDULE:**

In-Person and/or Remote: Make your own schedule, Preferred minimum of 2 days x 6 hours in office for in-person sessions, however that is not required. Average schedule is 20 client hours per week. Additional hours may be added if desired.

**COMPENSATION RATE**

Hourly rate +bonus to be determined based on experience, training and qualifications. Minimum average of \$80.00 hourly to start.

**COVID19**

Proof of Covid19 vaccination is required.
